

November Newsletter – Can Dance 2021

Sorry, the newsletter is later this month. I wanted to confirm the fundraiser info first.

Dates to remember :

November 7-10th **all costumes (recreational and competition levels) and competition fees are due.** If you have a card on file they will be charged this week.

As each child/ family has a different amount they need to be entered individually which takes a few days.

Please remember all costumes are \$60 per class for recreational classes, \$75 for competition classes, \$0 for tech classes.

Competition fees just came in for the year and will also be charged with your costumes this week. This year's fees are \$150 per person in a group, \$250 per person in a solo or duo/ trio. This covers three competitions this year. Mission, Abbotsford, and Maple Ridge. I have already paid these fees (Due Nov 1st) So please get them in to me ASAP if you don't have a visa to be charged. Recreational classes are not charged these amounts. Most competitions are not allowing solos to enter without their group entry. So please see me if you wish to enter more than the three we will be doing as a studio.

November 11th **classes will be cancelled in recognition for Remembrance Day.**

November 13th **Pointe shoe fitting at Jazzmatazz** 2pm – 3pm invitation only. Older dancers physically ready, who show good attendance and attitude towards their ballet craft will be invited to move into pointe classes in their ballet curriculum.

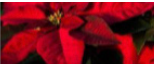

November 28th **12noon – 2pm All Competition students to come to the studio for studio jacket pick up and pizza party.** All competitions students are required to attend. This will be a chance to get your company jacket, talk about your competition season, and connect with each other. ***Mandatory for Competition Students only.***
