

Can Dance Studio 2022

CLASSES RESUME JAN 3RD 2022

I Understand there is some confusion to which businesses were allowed to open and which were restricted during the next month due to covid restrictions. We are not part of these restrictions.

Can Dance studios classes will be on as scheduled for the month of January.

Winter Weather

Please check on the facebook Can Dance Studio 2021- 2022 page if you are unsure if a class is on or not. We will do our best to run all our classes during winter. Some of our instructors are coming from Vancouver so it could be challenging, but we will try to run all classes when we can.

Competition Dancers Only

Keep your calender clear for the following dates:

Feb 9th and 10th will be the competition rehearsal on the Clarke T heatre stage.

Costumes

Costumes are slowly arriving. They will be tried on and then sent home over the next few months as they arrive.

Competition costumes will be handed out first then the recreational costumes for our year end show.

If your account is not up to date with classes, competition fees and costume fees your child will not be taking home their costumes.

Please make sure all your accounts are up to date.

Account updates

Several accounts have expired or lost or stolen cards on file. Please update all your cards with the office to make sure your account stays up to date.

With winter among us, please remember to take a little extra time to drive to the studio, find safe parking, and take a little extra time walking to the studio.

Also we will now allow the students to enter the waiting areas to remove their winter outdoor clothes to get ready for their classes. Please be patient with the extra time it takes to get prepared for classes in winter.

All the best

Debbie
