

# Can Dance Studio October 2022 Newsletter:

## Calendar of events for the year.

We run many classes on holidays. We understand family time is also important so days like Halloween, Easter, Christmas, and Spring break are days we will not hold classes. Please note Pro D days are always in session here at the studio. We will make sure all class sessions have 32 classes per year.

Please see the calendar below:

(Note: competition dates are only for children in competition classes)

Missing from this schedule is the Disneyland practices, Mission Candlelight parade practices, Clarke theatre competition practices, and extra events that will come up throughout the year. Please check the newsletter each month for schedule changes and extra dates.
